My Dear Friend Rev.K.LALA

Rev. Dr.LALHMANGAIA

Aizawl, Mizoram

Rev. K.Lala is known to me in various capacities for half a century. We studied together at the Aizawl Theological College, Aizawl in Mizoram during 1971-1974. So far as my knowledge goes, I would say he is an amiable, gentle, meek and somewhat taciturn.

I remember that Rev. K. Lala was present at the time of the Mizoram Gospel Centenary Celebration held in Aizawl during January 10-14, 1994. The theme of the event, "The fire at the altar must always be kept burning and never allowed to go out," (Lev 6:13) impressed him so much. So he initiated the movement among the members of the Church to which he belongs, to form committee, known as the, "Altar Committee" which is at work till date.

A big group of Vaipheis of Manipur, who formerly belonged to the E.O.C joined the Mizoram Presbyterian Church about two decades ago; thus they became a part of Mizoram Synod. Consequently, the Mizoram Synod is responsible for the care and development of the Vaiphei Presbyterian Churches in Manipur and called the as " Manipur Area." A committee was formed known as the the " Manipur Area committee" consisting of limited members both from the Mizoram Synod and the Manipur Area to administer the Area and on behalf of the Mizoram Synod.

Every time I happened to be at Churachandpur for the meetings, Rev. K Lala readily and warmly welcome me and often took me to his home for tea or meal.

Rev. k. Lal has been envisaging the birth of the Vaiphei Presbyterian church Synod and had proposed its name, " Tangphai Synod" which was approved by the concerned authority. That was one of his contributions towards the Vaiphei Church. Moreover, Rev. K. Lala has a great zeal in evangelistic works. He was, at his later part of active service, posted at Moirang Mission Centre and he served as an evangelist under the Mizoram Synod Mission Board. He rendered a service there faithfully till he retired from active service.

It is my wish that Rev.K.Lala Vaiphei would continue to be instrumental for the extension of our Lord's Kingdom.

Long Live Rev. K.Lala.

MESSAGE OF GOOD WISHES

It is my proud privilege to be invited to write a few lines in this invaluable book published on the occasion of the 75th year of fruitful life in the person of respected Rev K Lala with whom I shared a little part in the Lord's ministry.

Rev K Lala joined the Mizoram Presbyterian Church Synod with his friend the late Rev Chinzapau in the later part of the last century. They were assigned to work under the Synod Mission Board in which I was the Board Secretary during the years 2001-2006, and the Synod Executive Secretary in charge of Mission etc from 2007-2009.

Consequently, we had been working together closely for the Lord during his service till the year 2007. I am convinced by his fatherly nature with boundless humbleness to his colleagues and members of the Church. I appreciate his love and concern for the unreached people by the Gospel of Christ. He fervishly served the Lord to reach more and more people with the Gospel of God's love for them.

I used to visit Rev K Lala when he was Pastor in charge of Mayang Imphal and that of Moirang Pastorates. I recognised his diligent commitment to his work of caring and discipling his church members. The Church member were also happy in the shepherding leadership of Rev Lala and in his ministry of the Word and Sacrament meeting their spiritual needs.

I therefore congratulate Rev K Lala for attaining this platinum jubilee, 75 years of living with God and His ministry. I wish him more birthdays to come and may the good Lord bless Rev K Lala with sound health and happiness.

Rev. Dr. TH LAMBOI VAIPHEI

I am glad to know that Rev. K.Lala is bringing out his biographical sketch, in a book form, in commemoration of his 75th birthday on September 17, 2021. This is a real milestone of his life that God blessed him to see the 75th birthday anniversary.

Rev. K.Lala originally served under Khuga & Sadar Presbyterian Church, Manipur as one of the key and leading Pastors, involved not only in pastoring but also as an active member of the Church in administration. Outside his church, he was also involved in Vaiphei Christian Association (VCA) as a member of the Executive committee and Chairman of the Music Committee.

While this was being so, in response to God's Call, he left the frontline leadership of the mainline Church and joined the Meitei Mission field of the Mizoram Presbyterian Synod Church, Imphal, Manipur as one of the missionaries working in Meitei inhabited remote villages. While the meiteis are classified as a kind of people indifferent to Christianity, Rev. K.Lala sacrificed his life to work among them passing through some hardships as the life of missionary has never been a place of comforts. Thus, though he worked for a noble ministry, his life became unsung, unnoticed to many people in our society in Churachandpur town for some years. The missionary group he worked with, however, planted many churches, and may be considered as

one of the most successful ones in Manipur. I am impressed that Rev.K.Lala meant business and so, He worked there till his retirement.

After his retirement, he initiated and founded “Vaiphei Insung Maicham”, a Prayer group for Vaiphei Christian Leaders & Pastors, irrespective of what denomination they belong to. As far as I know, they used to meet occasionally in different places praying for our land in general and for the whole Vaiphei community in particular.

Now as we have been working together for Vaiphei Holy Bible Revision Committee (Trinitarian Bible Society, London), I came to know him more closely that he is a man full of ideas and opinions and has been useful for the Bible committee meetings. At this age of 75, he is still healthy, active in life, and is still to be seen in public life—in church meetings, in marriage celebrations, or any condolence meetings etc.

He is sociable and can easily be accessible. He has a pleasant personality. I wish Rev.K.Lala God’s richest blessings on his Birthday anniversary and wish him good health and longevity of life.

With Christian Love

Mr. & Mrs Elder S.VAIPHEI

IPS (Rtd) Manipur Police

I am happy to learn that Pastor Lala Vaiphei is going to release his life sketch, to mark his successful attainment of 75 (seventy-five) years of age.

I came to know him during his posting at Mayang Imphal. He is a handsome soft spoken, kind and attractive person who could preach Christian sermons in fluent Manipuri with full confidence, unlike any other members of the tribal community. I like him very much and frequently visited him at Mayang Imphal Moirang and Churachandpur. His children are also as nice as their father. He has a beautiful Meitei daughter from Moirang who nicely fit into the family and now could speak Vaiphei dialect fluently.

I am happy to know that after successfully serving in Divine service, the Lord has given him a happy retired life till today.

I wish the Lord will give him many more years of happy and strong and healthy life till his last moment on earth.

Claiming his bosom friendship,

I am- Church Elder, **S. Vaiphei, IPS (Rtd)**,

I pray to the Almighty God to surround you with everlasting peace and happiness as you commemorate this special occasion that marks 75 years of your existence on earth and celebrating Platinum Anniversary . I hope you have a wonderful anniversary filled with happiness and the days coming ahead with a big smile on your face.

I can still remember and cherish the Pastoral Ministry while you were serving as a Pastor at Kamranga (The present Pailapool Pastorate) in the year 1997. The time when you have visited us far away from Kamranga we acknowledge the presence of Jesus Christ at Chandpur Church. It is a blessing to be in the service of the Lord and thank you for being such a wonderful example. The Holy Communion you have served us and your kindness and generosity are a blessing to everyone.

We do believe it was a perfect ministry though you have served only a short period of time. From the Sermon you have delivered, Encouraging words you have shared to abide in Christ, Receiving about new life, about new born, about Salvation, about repentance in all these we the church members highly benefited.

May the almighty God always be with you and your family in all the days to come. Last but not the least may God use you in His ministry always.

I have known Rev. K. Lala as a young man since the early seventies. If I am not mistaken, he came to Haflong as part of the India Every Home Crusade team. He was in Haflong for sometime and he often came back afterwards.

His dedication for the Lord's work led him to be a part of Christian Ministry, and was ordained a Minister of the Presbyterian Church in Manipur where he served the Lord till retirement. I wish him a happy and peaceful retired life. Upa Vanlal Tluanga Bapui, Presbyterian Church, Haflong.

It gives me an immense pleasure to know that Rev. (Retd.) K. Lala is publishing his Autobiography -

“VANGLAINI” on attaining 75 years of his fruitful life.

Rev. K.Lala as I know him, was a dedicated and efficient President of Zillai Churachandpur Block and had a milestone in laying the Zillai Memorial Stone at Lingsiphai village, Churachandpur in the year 1971.

Rev. K.Lala served the Lord as a Missionary Pastor among the Meeteis and spent all his valuable life in the service of Almighty God.

On his fruitful retirement from serving the Lord, he was a visionary and dedicated founding Chairman of the Vaiphei Insung Maicham which is a non-denominational body for unifying the Vaiphei’s Christianhood. It was a great honoured for me to have been invited in their maiden Vaiphei Insung Maicham Prayer Fellowship held at Isak Maicham, K. Kotlian village on 30th July 2011(Saturday) to deliver a greeting which would go down in my memory ever.

It is my sincere prayer that may the Lord grant him strength and long life to still serve His people and the society to a large extend.

GOD'S AMAZING GRACE

I am truly thankful to the Lord for the life and testimony of Rev. K. Lala Vaiphei. When he first asked me to pen down some words in this volume entitled “Vanglaini”, which is publish in commemoration of his 75th birthday/ platinum anniversary, I was speechless. I said to myself, what am I going to write in regards to this servant of God. But then, I concluded, let me inscribe my encounter(s) with Rev. K. Lala. Now, with immense joy I write the following lines.

My first encounter with Rev. K. Lala and his family:

It was in the late 90's, I along with a very dear friend (who happens to be the nephew of Rev. K. Lala) attended a Christian meeting at Moirang Presbyterian Church. At the end of the meeting/service we drop-by at Rev. Lala's residence in Moirang mission compound, then and there he was. I had never planned this visit, but, planned in advance or not, this day happened to be the day I first met Rev. K. Lala and his family in person. He and his families were so kind and warmhearted to us, we chit-chat, had tea and snack and spent some quality time together. Since then, we crossed paths every now and then. So much more so after his retirement for active Christian ministry.

My encounter with Rev. K. Lala through my father:

One fine day in the turn of the new century, my father told me about “Vaiphei Insung Maicham” which was initiated by none but Rev. K. Lala. Like Rev. Lala himself, my dad was very much interested in this movement and is a keen follower of the daily devotional/family altar book published by the Vaiphei Insung Maicham Committee. My

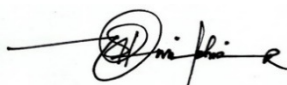

dad later was inducted as a committee member of this movement. It was through my dad I heard a lot about Rev. K. Lala's enthusiasm and hunger for the Lord. How he wishes each and every Vaiphei Christian family conduct family devotion every day and erect an altar to the Lord daily. Though he spent his youthful days and the remainder of his life till retirement for the works of the Lord as a missionary, he didn't say it is enough. Even after his retirement his hunger to serve the Lord does not wither. This is quite a testimony and may it serve as a challenge for the younger generation.

My encounter with Rev. K. Lala through TBS-Vaiphei Bible Revision Committee:

Sometime in the year 2016, a committee was formed to revised and reprint the TBS Vaiphei Holy Bible, which was first published back in 1983. I served as the secretary for this committee and Rev. K. Lala is also a core member of TBS-VBRC. In the flow of time, we are now able to submit the first copy of the newly revised version of the TBS-Vaiphei Holy Bible. During our time together in this committee, I have noticed that Rev. K. Lala is a down to earth person, he is easy to approached and friendly, though senior in age and ministry experiences, he doesn't disregard his junior counterparts. He is also a man of detail. He love to impart the knowledge he acquired to others.

I wish every happiness, long and sweet life to our dearly beloved and faithful servant of God!

Blessings,

REV. DR. ROBERT H. VAIPHEI

A KINDRED SPIRIT, REV.K.LALA

It is my privilege and great pleasure in writing a few lines for VANGLAINI, a biography of my friend, Reverend K.Lala. It was in the bygone days/years of 1965 -1968 when I was enrolled by my parents as a student of the prestigious Sielmat Christian High School, one of the premium schools in the State. Those magical and beautiful roaring Sixties keep haunting me: Man's first landing on the moon, The Vietnam War, The Hippie and Pop culture, The Hindi Chini Bhai Bhai among many others, were the major events around the world. And of course how can I miss out the death of the first Prime Minister of free India Pandit Jawaharlal Nehru, the assassination of the President John.F.Kennedy and Martin Luther King Jr that shook the whole world. For a young school girl in Churachandpur it was deeply shattering. At the same time the mesmerizing and awesome worldwide crusades of evangelist Dr. Billy Graham captivated tens of thousands including me. Oh I do miss the 'Vanglai Ni' of the Sixties.

It was in this school that I first came in contact with Lala as I called him then, a student like me. I remember him as a good looking, tall and fair young guy. Timid, soft spoken and shy like me and was also pursuing learning and education daily from Mualkot, a beautiful village on the banks of the faithful river Tuithapui (Khuga).

On the completion of High School days, each one of us picked and rushed to different directions and destinations. It was after so many blessed fruitful years that we come into contact once more .

I salute my friend Lala. All these years he had chosen to serve the King of Kings, the Almighty God. Equipped with theology, armoured with the Word, he became a Pastor, a Missionary in several regions like Cachar and Moirang (Manipur). After a bountiful harvest in the Lord's vineyard, he returns to his home and his wonderful family, children and grandchildren.

Happy Seventy Five years, the Platinum Jubilee rings for you.

Congratulations my friend.

May the Lord bless and keep you and use you for His purpose always.

Amen.

Rev.K.Lala has been known to me since 1962/1963 while he was at Old Lambulane, Imphal, just opposite to Tribal Boys' Hostel which is now converted into G.P. Women College. I was a hosteller studying at Bengali High School in class VIII & IX in those days he was a boy of class II & III only, at Khujathong Boys and Girls School. From his boyhood he was very obedient which led him to become a Pastor of the Presbyterian Mission. His dedication for the mission work led him to bring the lost souls of Meitei Hindus to Christians.

During the years 2000 and 2001 we were together as members of the Manipur Mission Field Committee and we were together again as Working Committee Members of the Manipur Presbyterian Mission, during the years 2008 and 2009.

During the year 2017 December when the Mizoram Presbyterian Synod Conference was held at Bungkawn Presbyterian Church he attended the conference and visited me in spite of heavy engagement/tide programme showing his affection to me on 10.12.2017 and lunched together at Ramhlun North. As a token of love we had snapped together.

Being a lover of mission work he had consulted with a retired pastor for working at the Varanasi Mission field. As such Rev. Luttlinel and Rev. Nengzatun were working there for some time through his initiative.

It is reported that he is going to publish a book VANGLAINI (Days of the youth) in local dialect and wish him success for publishing the book.

Main Ex Honary Subedar/ Clerk Mangtingen (L) Henzapau ka beta hoon. Mujhe Rev. P.Lala beta (L) Thuapkhai ke 75th (platinum) Janam diwas ke Khushi ke moke par ek-do shabd unke baare mein likhne layak samjha hai uske liye main unpar aur Prabhu Yishu Masih ka abhari hon.

Rev. P Lala ji ko Prabhu Masih ne ek poorn purush mei banaya hai. Padhai - likhai mei unme koi kami nahi tha aur isi ke bal par unhone Prabhu Parmeshwar ki sewa karne ka nirne liya tha. Itna hi nahi unhone aage chal kar Bible degree GTh (graduation) aur anya prashikshan/ paathyakram Prabhu Yishu ke kripa se saphalta purvak prapt kiya. Uske baad unhe Paadari pad se samanvay(ordination) diya gaya.

Prabhu ki kripa se unhe Yishu Masih ki sewa karne mei sath dene ke liye Jeevan sathi Mrs. Tingliannem ko chuna. Aage chalkar dono ne Prbhu ki sewa mei apne dil aur jaan laga kar Manipur rajya ke Meitei ilakon se lekar Cachar (Assam) tak missionary ka kaam kiya taki Prabhu ke vachan un logon tak pahunch sake. Iss raste par chalne ke doran unhe bahut si kathinayon ka samna karna pada. Kathin raste aur mushkil samay mei bhi unhone Prabhu Masih ko yaad karke, unse sahayata maang kar, nidarta se Masih ke vachano ko felane ke liye aage badhte chale gaye. Yeh soch aur nidarta unke mann mei un logon ki wajah utpan huya jo Prabhu ke vachano se anjaan the. Prabhu Yishu ke prati apne zimmedari samajhte huye aur un logon ke prati prem sadbhavna ke karan unhone Prabhu ke vachano ko un logon tak puhunchane ka mann than liya tha.

Rev. P.Lala ji ne apne Jeevan kaal ke adhik samay Prabhu Masih ki sewa mei guzaare hai. Prabhu ki sewa ko unhone apne Pension tak hi simit nahi rakha balki pension ke baad bhi sewa karte rahe. Yehi nahi apne 75th Janam diwas pe bhi unko yeh shubh avsar dikhane wale Yishu Masih ko yaad karke unse Dhanyavaad mangne ka karyakram banaya Yeh baat sun kar mujhe bahut khushi huyi aur mujhe pura vishwas hai ki unko saphalta prapt karane wala Masih ko bhi behadh khushi hogi.

Rev. P.Lala ji pe Prabhu Masih ka sabse bada ashirwaad ka udahrn unke apne bachche- teen bete aur do betiyan hai. Unhone apne bachchon par ek pita hone ka farz unhe Prabhu ke Vachanon ke marg par chalna sikha kar nibhaya hai. Yishu ke marg par chalkar unke vachanon ka palan karte huye har achche- bure waqt mei Yishu Masih ko yaad karne ki salah apne bachchon ko diya hai. Prabhu ki kripa se aaj unke bachche – sabse chote se lekar sabse bade bete tak sab apne pairon ke bal par khade hai. Unke sabse bade bete Mr Lamboi bhi Delhi Metro mei Assistant Manager ka pad sambhal rahe hai. Yeh sab Pita ka Prabhu Masih ke prati prem aur Prabhu ke Ashishon ka parinaam hai.

Rev. P Lala ji ne apni zimmedari sirf ghar tak hi simit nahi rakha. Wah apne aas-padose mei rehne wale logon ke liye bhi ek zimmedar naagrik ke sabse bade udahrn hai. Humesha logon ki kisi bhi kimat par madad karne ke liye sabse pehle tayar rehte hai aur behijak logon ki sahayata mei jute rehte hai. Unki yeh katha hume sabse bada siikh sikhata hai.

Jis prakar Bible ke Bhajan sanhita (Psalm) mei likha hai ki insaan 70 saal tak jivit reh sakta hai aur yadi shaktishali hai toh wah 80 saal tak jivit reh sakta hai. Usi prakar main unke iss 75th Janam Diwas mei unko hardik badhai dete huye Prabhu se Rev. P Lala ji ke lambi umar ki kaamna karta hon. Prabhu Masih ka aashirwaad aur kripa joki sabse pratham puruskar hai unpar aur unke parivaar par sada kayam rahe.

On 20th July, 2021 as my Mobile rang and when I picked up, to my utmost surprise, hear the voice of which I was well acquainted 53 years ago. Before he told me who he was I recognised from his voice that he was no other than my High School class-mate in the Sielmat Christian High School in the Nineteen Sixties Mr. Khaute Lala Vaiphei, who later became REVEREND. When I enquired I came to know that Rev. Khaute Lala Vaiphei after graduation in Theology joined the Pastoral Ministry and continued till his superannuation pension after serving and posting in various places and fields. I heard that he is bringing out a book of his Autobiography titled “VANGLAINI” for offering thanks and glory to almighty God for leading and guiding up to 75 years of age and to celebrate his Platinum Jubilee. When I re-collect my memory it comes out that my friend Reverend Khaute Lala Vaiphei was sincere, honest, humble, smart, friendly, good character and a man who feared God.

I convey my best wishes.

It is an immense pleasure to know that "VANGLAI NI" an autobiography and the life endeavor of Rev K Lala who is one of the pioneers in the field of evangelism being published . In our family, we fondly called him "the uncle missionary" who worked amongst the Manipuri people in the valley of Manipur. Rev K Lala and his family with zeal and dedication worked as a missionary to preach the gospel of God under Mizoram Synod Presbyterian Mission Field in Cachar (Assam) and Manipur w.e.f 1988 to 2007. As the name of the autobiography says, he spent all his prime time (VANGLAI NI) for the glory of the kingdom of God.

I wish and pray that this autobiography will be a blessing to all readers.

PLATINUM BIRTHDAY GREETING

I am made to understand that a book is being published in commemoration of your Platinum Birthday.

It is a rare privilege to write a few lines of our boyhood association and remarks thereof.

This makes me recollect those good old days in school under the caring wings of Pu (L) Thienlam Vaiphei, the most feared but respected Headmaster ever.

I also nostalgically remember our college days in Shillong where we held our picnic programmes, Fresher's Meet etc and the way we joyfully formed Eimi Student Union, Shillong.

I never imagined once that you would choose to serve full time and engage in the service of the Lord as a dedicated Missionary and even reach the high rank of Reverent. You are one of the high achievers from among our peers. Congrats!

On this special occasion of your Platinum Birthday, my family members whole heartedly join me in saying many happy returns of the day!

May you continue to be a channel of blessing and soul winner!

Affectionately,

AN ODE TO OUR REAL LIFE SUPER HERO

The greatest present we would like to give him on his platinum birthday is the re-collection of moments and the quality time we all spent together with him over years.

What we captured most during our relationships with him and some of his great qualities that compliments to his life experiences were:-

He always practices a good work-life balance which can be seen during his life journey where he sacrifices for the servitude of God and for the family too in his entire Pastoral Ministries.

His devotion to what he does always motivates us. He inspires us by setting self examples. A soft hearted man with patient, a man with a vision.

He taught us how to take bold decisions in life

The greatest quality he has is trust- whatever may come, we always believe in him.

Thank you Lord for your showers of blessings on us, for giving us a wonderful Dad and letting us witness 75 years of your love and faithfulness upon him. We pray for his good health and your blessing in the years to come.

WE WISH YOU DAD A HAPPY 75TH BIRTHDAY.

REV. K. LALA AS I KNOW HIM

- Rev. HENNA SINGSON

As I recalled it was way back in 1989 more intimately in 1992 when I came to know Rev. K. Lala. Something special I knew about him from the very start was that he is a missionary working among the Meitei people under the Presbyterian Church Synod. I overheard a little bit about the hardship he had experienced prior to his becoming a missionary, nevertheless he pressed on to discharge the heavenly assignments rested upon him, as a servant of God, without any disappointments.

As a result, God is pleased to his servant in return for his faithfulness and thus promoted to a higher and better position in due course.

As far as I know his track records, as a missionary family, Rev. K. Lala and his whole family moved from one mission field to another both in Assam and Manipur during his services. He maintained a cordial relationship with his co-workers both with his colleagues and his superiors wherever he had been posted, and most of all to the people he had responsible for the gospel of Jesus Christ. I personally visited him once while he was posted at Awang Khunou mission field in Manipur. And again visited more than thrice while stationed at Nambol and other mission fields in Manipur.

Something very striking I would like to mention from my experience about Rev. K. Lala, as a missionary and his missionary achievements is how he basically built up a good relationship with the people he supposed to evangelize and more so with the new believers whom he already had converted them. He, however, in general had a passion to bring unbelieving people to the throne of grace and that disposition he always tries to show in his daily life before the targeted people in mission field.

Rev. K. Lala is loved and felt importance his presence at any special occasion happening where he once stationed even after he had been pensioned. I know him invited to participate more than twice at a certain function as one dignitary even after having been pensioned. This shows that he is remembered and loved by the people he once looked after as a shepherd. I am of the opinion that Rev. K. Lala left an exemplary foot print to follow wherever he had posted during his service.

From time to time I know him going to participate at a church level meeting held in Mizoram. This gives me a thought that Rev. K. Lala is not just a pastor pensioned, but an important pastor pensioned whose participation is still required by the church he belongs to. Though he has been physically pensioned from his service, he has not been pensioned from his divine job but still on for it up until his breaths his last. I wish him a more successful life for the Lord he serves in days to come.

KA KI PAK PI UI

Ka U Rev. K. Lala kum 75 tiang dam na hun puitu Pathian kiangin kipakthu ka gen ui.

Tu tiang ah hun puitu Lalpa'n lakhut changlam in hun tuzing hen la, Damtheina'n hung pui zing ta hen.

A FEW WORDS ON MY COUSIN REV. K. LALA

-Rev. Dr. Kh. Khaizakham

My cousin Rev. K. Lala (full name: Pautinlal) is the second son of my uncle (L) Elder Thuapkhai, the oldest brother of my own dad, (L) Ex.Hav. Henzakhup. My other uncle, (L) Lamzapau is the youngest of the three. They were sons of my god fearing grand mother, (L) Rochongkhawl, a daughter of the Singson clan.

I first of all thank God whom my grandmother trusted for her future to look after her three sons and my only aunt (L) Kaikhawkim. When I look back to their humble beginnings at Kawlhen, a village in Henglep sub division, I can see the faithful hand of God in leading their poor but God honoring family. Though my grandfather Ngura died early, my young grand mother trusted Jesus for her salvation and her protector for the future. And here we are, their offsprings, in the care and blessing of God.

I remember the day when my dad brought my cousin Lala from a small village of Mualkot to help us at the humble restaurant at Old Lambulane, Imphal. This was our only means of livelihood. Here at Imphal, my cousin Lala had his education. It was 1962. He attended a school at Khujathong. I believe that he got his formal education from here which was to be the foundation for his pursuit of theological education to prepare for his future ministry.

When I was at Union Biblical Seminary during 1969-74 for my theological education, he was also at Cherra Theological College. We used to communicate through letters, the only means of communication in those days. I remember the day when he sent a love letter to her fiancée and I, with some nervousness delivered the letter to her. She, Tingliannem, became my cousins life long partner and I thank God that both of them still serve the Lord together.

My cousin Lala was faithful in serving the Lord. He was ever ready to go wherever he was sent. He served as a pastor for some time. Then he gave himself to go as a missionary to the unreached fields. I have visited him at some of the mission stations at Nambol, Mayang Imphal, and Moirang (his last posting before retirement). Other stations which I did not visit were his stations at Kamranga in Cachar, Assam, Awang Khunou in Imphal West and a short stint at Kwakeithel mission compound. He took his family to these places. Therefore, his children (three sons and two daughters) were deprived of the company of their relatives and friends at home.

God is faithful in seeing the needs of his family. He was able to raise his children with his meager salary. All of his children are now grown up and self reliant. One daughter served as a missionary. The eldest son is in Delhi as an officer with the Delhi Metro.

My cousin Lala is a soft spoken person. Yet he is always active and keeps himself busy with things he considers important. He is well respected wherever he went. I believe that people who knew him miss him. Because he is diligent in visiting them and be of help when needed.

After years of retirement, he is still active. Most people would love to rest by this time. But my cousin Lala is always on the go. He was the founding chairman of the Vaiphei Insung Maicham Committee. He is still active in the group. The committee comprised of senior members from different denominations in the Vaiphei speaking community. They conduct prayer conferences, seminars, and fasting prayer meetings.

God is so good to him and his family in granting this long life. May this celebration be for the glory of God who has brought him this far.
